New Ways to Increase Yield

"We are always looking at new ways to increase yields. The bigger root systems that we see after using BSN Superstrike give us better access to the natural nutrients in the soil. Our soils tie up a lot of phosphorus so I like to spray on Cereal Plus to supply both phosphorus and trace elements at the same time."

Farmers	Paul and Frith Chapman
Location	Muntadgin
Property Size	4800ha
Farm Enterprise	Wheat, Lupins, Canola, Sheep
Annual Rainfall	320mm
Time on RLF Program	7 years

– *Paul and Frith Chapman*
Muntadgin, WA
