*Ron and Lorraine Shreeve -  
Merredin, WA*

### Good Early Vigour

"I like the idea of good early vigour and that's why I treat my seed with BSN Superstrike. It promotes bigger and stronger root systems at germination which gives the crop more access to all the nutrients in the soil. If nutrients are marginal it will hold off the deficiency and get you over the line until you get a chance to top the nutrients up with a CSF foliar spray."

Farmers	Ron and Lorraine Shreeve
Location	Merredin
Property Size	6500ha
Farm Enterprise	Wheat, Barley, Lupins, Canola
Annual Rainfall	320mm
Time on RLF Program	2 years
