Grower Testimonial

March 2007

www.rlf.com.au

Ground to Top

"What I like about the RLF program is that I can make the crops grow vigorously under the ground as well as on top. The extra root growth from the BSN Superstrike means that there is better uptake of the granular fertiliser and less leaching on our sandy soils."

Farmers	Gary and Karen Parker
Location	Coorow
Property Size	3000ha
Farm Enterprise	Wheat, Lupins
Annual Rainfall	350mm
Time on RLF Program	9 years
